

FISCAL NOTE

HB 1851 - SB 1862

March 17, 2001

SUMMARY OF BILL: Exempts veterinary clinics, mobile facilities and offices from inspection requirements to obtain or maintain premises permit.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures - \$33,900

Decrease State Revenues - \$42,400

Estimate assumes 80% of the 530 licensed veterinary facilities (424) will no longer need a premises permit, thereby reducing the number of inspections made in a biennial renewal cycle by the same amount. Only one-half of the licensed facilities will renew in any given calendar year.

(212 annual inspections @ \$160 per inspection = \$33,900)

(212 renewal inspection fees @ \$200 each = \$42,400)

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
